Your revised FOIA request on April 27th 2015 for records from January 1, 2014 to date of complaints from citizens through the A2FixIt system regarding broken or malfunctioning hydrants is granted. Your request is granted in part and denied in part. Your request is denied to the extent that the following omissions and/or redactions have occurred:

If you receive written notice that your request has been denied, in whole or in part, under Section 10 of the Act, you may, at your option either: (1) submit to the City Administrator a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal of the disclosure denial; or (2) file a lawsuit in the circuit court to compel the City's disclosure of the record. If after judicial review, the circuit court determines that the City has not complied with the Act, you may be awarded reasonable attorneys' fees and damages as specified under the Act.
